. Attachment:      Replacement Sheets  
                    Annotated Sheets Showing Changes

**REMARKS**

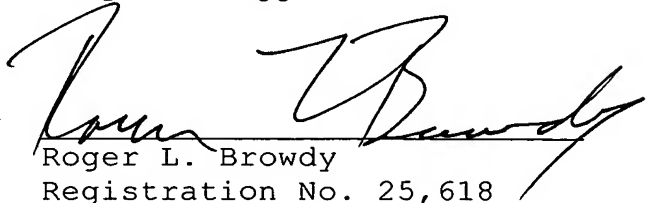

Claims 8-14 presently appear in this case. Claims 1-7 and 15-21 have been cancelled. The above amendment to the claims is being made to place the case into better condition for examination.

In amended Fig. 1-2, the corrected legends replace the original legends in this case. The Annotated Sheets show the specific corrections made to the original legends. That the corrections are corrections of an obvious error is apparent from the description of test examples 1 and 2 at pages 12 - 16 of the present specification. This was clearly a correctable error in the layout of the legends.

Prompt consideration on the merits and allowance are earnestly solicited.

Respectfully submitted,
